GUIDE

HOPE FOR THE CITY'S IMPACT

NUMBERS THAT TELL A STORY OF HOPE

Throughout the year HFTC impacts thousands of kids, helping provide their most basic needs through several initiatives including:

Food Pantries currently operate weekly at multiple locations around the city, providing food for under-resourced families. Since March 2020, we have served more than 25 million pounds of food to over 500,000 households, including more than 430,000 kids. We've also delivered food to over 32,000 households.

Hope For Kids (December 2024) provided a spectacular three-night drive-through holiday experience to 1,887 families, including 4,930 kids! These events provided holiday essentials and necessary supplies including food, a holiday meal, toys, warm clothing, hygiene kits, and more as families drove through safe, holiday themed lighted displays.

Kick Start (August 2025) is a fun-filled event before the start of each school year where 2,665 kids received backpacks, school supplies, haircuts, clothes, hygiene kits, eye exams and more! This event is not just about providing essential resources; it's about giving kids a sense of pride and confidence as they start the new school year

A movement of compassion in action

Hope For The City continues to unite volunteers, businesses, and donors under one shared belief: hope is not just a feeling—it's something we can give.

Together, we are transforming lives and shaping a stronger, more compassionate community for generations to come.
